**Re: Bradford Herrick  
70 Ash Street  
West Bridgewater Mass  
02379**

Gentlemen

The captioned individual has asked our firm to assist him with settling his matters regarding properties he owns and retains an Allodial Patent to.

You've all been placed on NOTICE that the captioned individual has been robbed of his home by a FIRE that MAPFRE Insurance refuses to pay him for.

Your flagrant abuse of corporate responsibilities for your client(s) and the corporate culture and governance that encompasses greed and vanity is your individual millstone of eternal doom for all identified, and that same corporate culture is about to end.

**William Monahan**, you are an *un-registered foreign agent* on sovereign soils. Since your part of the corrupt alumni of law societies that have a membership of like-minded thieves, this author respectfully requests you provide this author with your so-called imaginary Law Licence and not your Membership Card.

Please provide your qualifications that administer the ability to assist those in need and not strip them of laws created by man that have absolutely zero power, standing or authority over your fellowman.

You may want to take heed and review the rest of this WARNING LETTER, for your future is extremely tenuous and severely limited now that you've been identified and exposed

**Jaime Tamayo**, as CEO of a major money mill being MAPFRE Insurance Company, a private corporation operating under the auspices of FRAUD and CORRUPTION all predicated upon a Bankrupt Government and their associated Bankrupt Banks, Bankrupt Insurance companies and associated and affiliated agencies e.g., IRS – Internal Revenue Service.

Keep paying attention to this WARNING LETTER Jaime Tamayo as you also are on the verge of being stripped of your domestic and international fraudulently acquired assets.

**Manuel Corral**, analogous to the previously mentioned Jaime Tamayo as Co-Ceo of MAPFRE, your moral compass is also broken. Keep reading as your worthless existence is now identified and in jeopardy.

**Charles Sharf**, CEO of WELLS FARGO, your existence as you know it will fall apart in the immediate future like the Walls of Jericho. Pay attention to this WARNING LETTER!

**David Gagne**, Town Administrator for West Bridgewater Mass. Your association to the previously mentioned makes you culpable for ALL CRIMES COMMITTED to date against our client, Bradford Herrick. If your unaware of Bradford Herrick's circumstances perpetrated upon him and his broken family, you too are about to be stripped of your title and office and all your personal assets. Pay attention to this WARNING LETTER.

**Wayne Parks**, Superintendent for West Bridgewater Mass. Your association to the previously mentioned makes you culpable for ALL CRIMES COMMITTED to date against our client, Bradford Herrick. If your unaware of Bradford Herrick's circumstances perpetrated upon him and his broken family, you too are about to be stripped of your title and office and all your personal assets. Pay attention to this WARNING LETTER.

**Sean Higgins**, Corporate Counsel for WELLS FARGO Bank is unlike any other individual who claims their power standing and authority over the masses and representing a Bankrupt Bank and Federal Government. From all indication Mr. Higgins, your analogous to the dictum of your law society alumni practicing a vile, malicious playbook of *STUPID* against mankind, over secular laws of zero consequence.

God's creation, God's children...not of man's creation.

The world will soon understand how your predecessors in both your alumni of *idiocy* and the courts changed the jurisdiction in you and your alumni's favour. Stripping Common Law – God's Law from existence, incorporating man's secular laws of *statute*. Allow this author to clarify for the viewing public of this viral Letter that *statute* remains the Force of Law, the Color of Law, and remains NOT LAW; *Only* applicable to those in government and NOT the private sovereign people of this fine land.

For clarity's sake Mr. Higgins the courts altered one word in your alumni's favour, in favour of the *FOREIGN CREDITORS* to the G7 Bankrupt Nations. The one word altered was Public Law → Public Policy in 1938 and the Case was Erie Railroad vs. Mr. Thompkins.

God's Law → Man's Law. Please answer how policy super-cedes Law?

Also Mr. Higgins, can you explain, How an individual and for that matter a private *Bankrupt Corp.* can make claim against their neighbors land with a levy, tariff and/or a Tax, and use Enforcement to collect the fruits of their work and labour while the corrupt and stupid sit back eating bon-bon's watching T.V. soap operas and at the end of the day collecting a portion of their work and labour over a threat or useless piece of paper?

Can you provide the Law that substantiates where an Income Tax Act is lawful? This author can provide ALL information of Truth, Facts and Evidence that Income Tax is as Fraudulent as a \$3.00 Bill.

Can you provide the Lawyers' Oath of Idiocy because this author can, and once the masses catch wind, you will be isolated by those you've personally affected with malice, and your future will be in immediate jeopardy?

Your entire alumni at K&L Gates will be personally *SERVED* with a COMMERCIAL LIEN / Notarial Protest stripping All domestic and international assets leaving you ALL penniless and homeless.

Your FRAUD is being exposed to the masses and the masses are rising as ONE.

It is Angelic Law's opinion to settle our client Bradford Herricks' matters within the next (72) hours upon receipt of this electronic transmission or your lives as your currently existing in, will be over and forever in peril.

Return all Monies with Interest owed to Bradford Herrick or each and everyone identified plus associated and the culpable, will face a very stark reality going forward.

Lastly, this WARNING LETTER will be placed on the Angelic Law website under PUBLIC NOTICES.

Conduct yourselves accordingly.

Good Luck

Angelic Law †
