## **Article XXVII**

1. Paragraph 1 of Article XXVII (***Exchange of Information***) of the Convention shall be deleted and replaced by the following: “1. The competent authorities of the Contracting States shall exchange such information as is relevant for carrying out the provisions of this Convention or of the domestic laws of the Contracting States concerning taxes to which the Convention applies insofar as the taxation there under is not contrary to the Convention.

The exchange of information is not restricted by Article I (Personal Scope).

Any information received by a Contracting State shall be treated as ***secret*** in the same manner as information obtained under the taxation laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) involved in the assessment or collection of, the administration and enforcement in respect of, or the determination of appeals in relation to the taxes to which the Convention applies or, notwithstanding paragraph 4, in relation to taxes imposed by a political subdivision or local authority of a Contracting State that are substantially similar to the taxes covered by the Convention under Article II (Taxes Covered).

Such persons or authorities shall use the information only for such purposes. They *may* disclose the information in public court proceedings or in judicial decisions. The competent authorities *may* release to an arbitration board established pursuant to paragraph 6 of Article XXVI (Mutual Agreement Procedure) such information as is necessary for carrying out the arbitration procedure; the members of the arbitration board shall be subject to the limitations on disclosure described in this Article.”

2. Paragraph 4 of Article XXVI I (Exchange of Information) of the Convention shall be deleted and replaced by the following: “4. For the purposes of this Article, the Convention shall apply, notwithstanding the provisions of Article II (Taxes Covered):

(a) To all taxes imposed by a Contracting State; and

(b) To other taxes to which any other provision of the Convention applies, but only to the extent that the information is relevant for the purposes of the application of that provision.”

- The Income Tax Convention is secretive, ambiguous and unlawful as it pertains to Common Law and the liberties, rights and freedoms of the private sovereign people.

Income Tax was a “temporary measure” and was Proclaimed and Gazetted **officially over** Jan. 3, 1948 by Gov. General Varcoe within the Hansard of Parliament, and, is NOT LAW.

And yet, the masses have been duped to believe Income Tax, Estate Tax, Probate Court, the Court in general, lawyers and their unlawful secular laws are applicable to the private sovereign person.

Lawyers are un-registered *foreign agents* on sovran soils representing the repayment of the government’s debts/loans. In layman’s terms: Your unlawful society is the Insurance Agency for the *Foreign Creditors*.

All named Respondents who believe their legitimacy as a lawyer carries some form of jurisdictional authority over the masses is gravely mistaken.

All named Respondents have procured a scheme (over the past (3) years) to deny the Beneficiary of same Estate, and furthermore have embezzled the (so-called) Estate Trust Fund being held by the offices of BMO TRUST COMPANY in Calgary Alberta, Canada.

This author understands all Respondents are unable to provide a *License* unlike e.g., Doctors, Dentists, Engineers, Scientists, Hair Dressers, Restaurateurs, Mechanics, Realtors who are FORCED by a Bankrupt Government Licensing Agency. Again, Licenses are NOT LAW.

All named Respondents and their associated alumni of criminals (which includes as per the noted INCOME TAX CONENTION) will be held accountable when *Personal Service* is individually performed upon all *Recipients* of a **COMMERCIAL LIEN**.

You've all lost your moral compass!

Your codes, rules, regulations, by-laws, agendas, policies, licenses are NOT LAW, AND UN-ENFORCEABLE.

Both North American governments, (Canadian Government and the U.S. Federal Government) are both private corporations! Since they both declared *Bankruptcy* in 1933 and have never paid back the Foreign Creditor(s), there remains NO LAW regarding TAX upon the private sovran people of North America.

Simply Put: How does any private sovereign person and/or secular corporation own anything if they're BANKRUPT?

The Lawyers on behalf of G7 governments have perpetrated a scheme, laying claim on Land they never created nor own, AND, thereby levy tariffs, fines, taxes upon the private sovereign people, when they DECLARED BANKRUPTCY?
