**Re: File No's: 210776647P1
210335584P1
190768739P1**

Attention: Frank Polak and ALL Concerned

This author has been asked by the recipient of the captioned matters to address the most heinous of acts and actions performed upon the subject named in same files.

Everyone's indifference to the person affected will be dealt with on an individual basis when Angelic Law imposes a Lien of Commerce upon each and everyone who has committed Malicious and Heinous acts and actions, where NO LAWS EXIST.

The absurdity of your acts and actions will resonate in the Court of Public opinion where your family, friends and neighbors will read about your most nefarious acts upon the private sovereign people of North America on the Angelic Law website. www.angeliclaw.com

Angelic Law will SERVE upon one and all mentioned in this WARNING LETTER an Instrument you can neither DEFEND, REFUTE, REBUTE or DENY because NO ONE has the capability of defending a LIE.

FRAUD is a CRIME and you ALL have performed that ACT of Idiocy to perfection and now that your FRAUD is exposed for all to review, digest and critique; the end run for everyone previously mentioned will be Angelic Law stripping each and every one of your Domestic and International Assets leaving you ironically enough, penniless and homeless.

Angelic Law has orchestrated with a 3rd Party U.S. Sovereign Enforcement Agency to raid your residences, and places of employment with distinct orders to strip the clothes off your backs.

This author will now acquiesce to await your most immediate anticipated reply Frank Polak that all matters and charges and records pertaining to the captioned Files disappear forevermore within 24 hours of your receipt of this e-mail and Registered Mail via Canada Post.

You Frank Polak will instruct all responsible parties who STOLE from the accused to have all monies returned immediately. Also, you Frank Polak will have all records from the Border Services computers erased pertaining to the accused party in captioned Files.

Lastly Frank, If, you really want to understand who Angelic Law is, please contact some dude named Justice John D. Rooke and look up his mug-shot on the Angelic Law website under PUBLIC NOTICES and give him a phone call. I'm quite certain he'll tell you your on your own as well as those other co-conspirators named in this WARNING LETTER.

Be Smart Frank....NOT STUPID...

Good Luck

Angelic Law †
